Why Lubbock Fine?

Lubbock Fine is a successful 17 Partner accountancy and tax advisory practice. We are also the founder member of the award-winning global network Russell Bedford International. Due to a period of considerable growth, we plan to expand our team to 160 members of staff this year. The overarching strategy of the firm at the heart of our success is our vision to 'redefine exceptional'. Now is a perfect time to join us to be part of that success and to help shape the future.

We have a diverse range of clients, both within the UK and around the world. Our specialist business desks look after clients in France, Portugal, India, the Middle East and Africa, we have business operations in the Cayman Islands. Our Dubai office, established in 2006, was one of the first to register as auditors with the Dubai Financial Services Authority.

Our clients cover a vast array of sectors including property investment businesses, natural resources, and renewable energy firms, the media & entertainment sector, technology, FCA registered firms, charities and large funds with up to £4bn in assets. With such a diverse client base our work is both challenging and gratifying and offers our people many opportunities to gain exposure to new industries, or to specialise.

Our leadership team is friendly and approachable, and they keep an open-door policy to interact with the LF team at all levels. Our Smart Working policy enables you to reasonably work from where, and when to you want, ensuring that you have a high degree of autonomy over how you manage your time. This trust is rewarded with great performance.

We take CSR seriously and are heavily engaged in social mobility and charitable activities giving you the opportunity to give back. Employee wellbeing, flexibility and a quality working environment are at the core of the firm's values. We have an extensive range of benefits.

LF understands that everyone will have different long-term personal goals. Consequently, each employee is able to develop a tailored development plan to help them reach their specific career goals. Some of our team members have been assisted back into industry and are now our clients. After a period of time with the firm we offer sabbaticals and international secondments within the RBI network firms.

If you are looking to take your career path all the way to partnership, the path to achieving this will be completely transparent. LF operates a unique 'Path-to-Partner' training and mentoring programme, allowing you to progress from trainee, into management and then Partnership as fast as you are capable of doing so.
